

## ■ Tips for Clients for Wedding Shoots (Premium & Helpful)

### 1. Plan Ahead for Smooth Timing

Share your full wedding schedule early so the photography team can prepare lighting, angles, and coverage.

### 2. Keep Your Getting-Ready Space Clean

A tidy environment makes your preparation photos look elegant and magazine-ready.

### 3. Coordinate Outfits Thoughtfully

Choose complementary colors and avoid overly busy patterns for a classy, timeless look.

### 4. Stay Relaxed & Natural

Your genuine smiles and emotions bring life to the photos—just enjoy the moments.

### 5. Communicate Your Must-Have Shots

Tell us about special rituals, family moments, or surprises so we can capture them perfectly.

### 6. Stay Hydrated & Rest Well

Fresh energy = fresh photographs. Good sleep and hydration make a visible difference.

### 7. Bring Important Details

Rings, invitations, jewellery, perfumes, and heirlooms add beautiful detail shots to your gallery.

### 8. Trust Your Photographer's Direction

We guide you every step of the way—lighting, posing, and angles. Trust the creative process.

### ■ Do's

- Do plan your timeline and share it with your photographer.
- Do keep your room neat for gorgeous candid getting-ready shots.
- Do coordinate your outfits with elegant color harmony.
- Do bring personal items for detail photography (rings, cards, accessories).
- Do communicate clearly about your expectations and preferred moments.
- Do stay calm and enjoy—natural expressions look the best.
- Do arrive on time so we don't miss the best light.

## ■ Don'ts

- Don't rush the shoot—it reduces creativity and natural moments.
- Don't wear overly neon or loud colors unless it matches your theme.
- Don't skip meals or water—you need energy throughout the day.
- Don't bring too many people to the shoot location; it causes distraction.
- Don't stress about posing—we will guide you perfectly.
- Don't ignore small details like hair, tie, jewellery, nails—they show up clearly in portraits.
- Don't leave important items behind—pack ahead of time.
